MISCELLANEOUS DEPARTMENTS

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 27th April 1949.

No. T. E. 605—48-49. Consequent on the discussions at the meetings of the State Nominees (for procurement of cloth) and the representatives, of the wholesale cloth dealers in the State held on 22nd April 1949 and in supersession of all instructions communicated to the Amildars of the Taluks in regard to the allotment of cloth among the retailers of the Taluks concerned and also communications allowing free sale of accumulated stocks of cloth with the wholesale dealers subject to certain conditions specified therein, the following revised procedure is laid down for movement of cloth from the State Nominees to the retailers through the wholesale dealers in order to prevent accumulation of stocks of cloth at any stage so that cloth may reach the consumers more quickly through the retailers in the State :—

1 The wholesale cloth dealers are required to lift the goods allotted within *twelve days* from the date of Purchase Authorities written in their favour. In the event of failure to do so, the allotment in question automatically lapses and under no circumstances should the State Nominees supply goods to such wholesale dealers after that date. The Nominees should report in such cases, if any, on the 13th day from the date of Purchase Authority to the Controller of Civil Supplies the name or names of such wholesale dealers as have not lifted the goods as per Purchase Authority issued in their favour. The Controller of Civil Supplies will thereupon re-allot such unlifted goods immediately to any other wholesale dealer of the Taluk to which such goods relate or to any other wholesale dealer of the District concerned or of any other District, as the case may be. In the event of any wholesale dealer failing to lift goods for two consecutive allotments, his wholesale license will be cancelled.

2 Copies of Purchase Authorities whenever written in favour of wholesale dealers attached to the Taluks will be forwarded to the Amildars of the Taluks concerned and in the cases of Mysore City, Kolar Gold Fields and Davangere City to the Deputy Commissioner, the Rationing Officer and the 1st Class Magistrate respectively on the dates on which Purchase Authorities are posted to the wholesale dealers attached to the respective areas for arranging to issue, as heretofore, Purchase Permits in equal quantity in yards to all the retail cloth dealers of the respective areas. In the case of Bangalore City and Civil Station, however, Purchase Permits to the retailers of these areas will be continued to be issued from the office of the Controller of Civil Supplies.

3 Purchase Authorities to the retailers of the respective areas, as above, in the State will be issued from the Offices concerned within *twelve days* from the date of Purchase Authorities written in favour of the wholesale Dealers.

4 The retailers should lift the goods from the wholesale dealers attached within fifteen days from the date of Purchase permits issued to them from the offices concerned.

5 In cases the retailers do not lift the goods allotted as per Purchases Permits issued in their favour within *fifteen days*, as specified above, the wholesale dealers will have the option of selling the stocks of cloth with them after twenty-seven days from the date of Purchase Authorities to any licensed retail cloth dealers within the District concerned at not more than 1,500 yds. to each retailer subject to furnishing information in the A and B forms appended hereto to the Amildar concerned and to the office of the Controller of Civil Supplies.

6 The above revised procedure is applicable also to the stocks of cloth remaining unsold with the wholesale dealers after allotment by this office or by the concerned Amildars or the Deputy Commissioner, Mysore.

7 In case the retail cloth dealers fail to lift the goods for two consecutive allotments, their licenses shall be liable for cancellation.

The notification referred to above does not contemplate any such procedure to be adopted by retail cloth dealers and is, therefore, further amplified as under :—

Only those retail cloth dealers who lift the goods of regular allotments will be entitled to buy cloth at not exceeding 1,500 yards each, in addition to regular allotted quota under free sale allowed to wholesalers after 27 days from the dates of their respective purchase authorities. The benefit of purchase of cloth under free sale as above, is not allowed to retail cloth dealers who do not lift the goods of regular allotments in any month. In case, a retailer who does not lift the goods of regular allotment in any month within the time prescribed in the notification cited above, were to buy cloth under free sale from any wholesaler, the license of such retailer shall be liable for cancellation forthwith.

In order to have an effective check over the purchase of cloth by retail dealers (out of regular quota, *Ad-hoc* quota or out of lapsed quota from the wholesalers) and to enable wholesale cloth dealers as well as the Inspecting staff of the department to assess the correct position as regards purchases by the retailers in the light of the above instructions, the wholesale dealers are further directed to observe the following precautions while selling cloth to retailers.—

1. The retail cloth dealers are hereby requested to attach a separate sheet of paper to their licenses providing the following headings :—

Name of Wholesale dealer selling cloth and his address.	Nature of quota	Quantity sold	Cash or credit Bill No.	Date of sale	Signature of wholesale dealer
	1 Regular quota 2 *Ad-hoc* quota. 3 Lapsed quota. from which cloth has been sold.				

2. While selling cloth to the retail dealers the wholesale dealers should demand the license and the purchase slip attached to the license and pass necessary entries in the purchase slip in the columns provided. Under no circumstances should they fail to pass the entries after sale. Licenses produced without slips attached should be rejected. Failure to comply with the above instructions will entail the wholesale license being cancelled.

Further, the wholesale dealers should insist upon the retailers to show the cash or credit bill in support of their purchasing regular quota in order to sell *Ad-hoc* quota or lapsed quota to them from the date of this notification.

The wholesale dealers should obtain in writing on the reverse of their duplicate cash bill, from the concerned retailer that he has purchased his regular quota before the wholesale dealer could sell cloth out of *Ad-hoc* or lapsed quota.

The Inspecting staff of this department is hereby directed to vigilantly wateh such cases and submit reports to the undersigned through the Enforcement Officers having jurisdiction for cancellation of licenses of retailers or wholesale dealers who fail to adhere to any of the above conditions.

Circular regarding the Binding of Law Books in the Government Presses.

Notification dated 25th June 1949.

It is observed that many Law Offices and Courts sending their Law Books, including All India Reports being bound at Government Presses, without checking

consecutive numbers of the Volumes properly, without verifying if there are any pages missing in any particular volumes, such a procedure has led to much correspondence; without any final reply in some cases, from the concerned Courts, and has been the primary cause for accumulation of Law Books in the Government Presses.

Therefore, all Law Officers are requested to have the volumes and consecutive monthly issues and pages verified and arranged properly before despatching the same to the Government Presses for binding. A note may kindly be recorded to this effect in the letter forwarding the Law Books to the Government Presses for binding.

Also, they are requested to have the Rubber Stamp of their Offices or Courts impressed on all the issues of the Law Books, sent for binding, in order to facilitate the easy identification of the Law Books, received from the various courts and to avoid any incorrect despatch of bound Law Books.

Circular dated 5th July 1949.

To

All Treasury Officers.

No. 532—B. II. In spite of detailed circular instructions issued to all Treasury Officers in this office Circular No. 445—B. II, dated 29th January 1947 in the matter of revised procedure relating to transactions of Public Works Department, it is seen that payments of bills relating to Salary, Establishment, Contingencies and T. A. are being classified under "40 (iv) Items adjustable by P.W.D." in the Treasury Cash Accounts instead of under "40 (ii)." It may be noted, in this connection that the Treasuries should classify all credits and debits only under the following remittance heads respectively:—

"40 (i) Remittances into Civil by P.W.D.
40 (ii) Remittances by Civil to P.W.D.
(a) P. W. bills payable.
(b) Preaudit cheques on treasuries by the P. W. Auditor.
(c) Salary, Establishment, Contingent and T. A. bills, P. W. Department."

The Treasury Officers are therefore requested to see that such misclassifications in the Treasury cash accounts are strictly avoided in future.

Circular regarding the Binding of Law Books in the Government Presses.

Notification dated 25th June 1949.

It is observed that many Law Offices and Courts are sending their Law Books, including All India Reports for being bound at Government Presses, without checking the consecutive numbers of the Volumes properly, without verifying if there are any pages missing in any particular volumes, such a procedure has led to much correspondence; without any final reply in some cases, from the concerned Courts, and has been the primary cause for accumulation of Law Books in the Government Presses.

Therefore, all Law Officers are requested to have the volumes and consecutive monthly issues and pages verified and arranged properly before despatching the same to the Government Presses for binding. A note may kindly be recorded to this effect in the letter forwarding the Law Books to the Government Presses for binding.

Also, they are requested to have the Rubber Stamp of their Offices or Courts impressed on all the issues of the Law Books, sent for binding, in order to facilitate the easy identification of the Law Books, received from the various courts and to avoid any incorrect despatch of bound Law Books.

Circular regarding the Binding of Law Books in the Government Presses.

Notification dated 25th June 1949.

It is observed that many Law Offices and Courts are sending their Law Books, including All India Reports for being bound at Government Presses, without checking the consecutive numbers of the Volumes properly, without verifying if there are any pages missing in any particular volumes, such a procedure has led to much correspondence; without any final reply in some cases, from the concerned Courts, and has been the primary cause for accumulation of Law Books in the Government Presses.

Therefore, all Law Officers are requested to have the volumes and consecutive monthly issues and pages verified and arranged properly before despatching the same to the Government Presses for binding. A note may kindly be recorded to this effect in the letter forwarding the Law Books to the Government Presses for binding.

Also, they are requested to have the Rubber Stamp of their Offices or Courts impressed on all the issues of the Law Books, sent for binding, in order to facilitate the easy

identification of the Law Books, received from the various courts and to avoid any incorrect despatch of bound Law Books.

Memo.

Notification dated 21st July 1949.

No. D. 7-C. 283-7 of 49-50. Applications for admission to the Examination of 1950 should be submitted on printed forms which will be supplied on application to the Secretary, Commercial Examinations Board, New Public Offices, Bangalore, after 1st November 1949. Requisitions for forms should reach the Secretary at least a fortnight before the latest date prescribed for sending in the applications for admission to the Examination. The Secretary will not be responsible for non-receipt of forms owing to the requisitions being sent too late or to miscarriage of letters in post, being on account of incorrect and incomplete address, etc.

2. Fees as shown in Appendix III of the Revised Rules and syllabi copies of which are sold in the Government Central Book Depot, Bangalore, at four and half annas a copy, should be credited into a Mysore Government Treasury in time for sending in the applications by REGISTERED POST, so as to reach the Secretary Commercial Examinations Board, on or before 30th December 1949, after which date applications will be received on payment of a penalty of Re. 1 up to 4th January 1950 inclusive.

3. Candidates should pay their application fees into a Government Treasury and send the application forms with the Treasury Receipt and seal thereon, on or before the specified date. No cash remittances will be accepted.

4. All columns in the forms of application should be carefully and accurately filled up. The enclosures mentioned in Col. No. 5 in the application should invariably be attached to the application for admission to the Examination. Applications found defective in any respect will be rejected and returned to the party and requests for refund of fees on the ground that the applications were rejected, will not be entertained.

NOTE.—1. If a candidate has lost the pass certificate granted to him by the Commercial Examinations Board he should pay into any of the Mysore Government Treasuries a fee of Re. 1 and send the Treasury receipt to the Secretary, Commercial Examinations Board with information on the undermentioned points and details of circumstances in which the original certificate was lost and get a duplicate.

(a) Name of the Examination passed ... .
(b) Register No. and the year of passing the Examination. .....
(c) Centre of examination taken by him .....
(d) Father's name ... ...
(e) School from which he passed if he was a school candidate. .....

2. Applications for issue of a duplicate pass certificate should be sent so as to reach the Secretary, Commercial Examinations Board, Bangalore not later than 30th November 1949, to ensure its issue in time for use by the candidate. The Secretary may refuse to issue the duplicate certificate if he is not satisfied as to the genuine nature of the request; in that event the fee paid will not be refunded.

3. The Heads of Commercial Schools sending up candidates for the Commercial Examinations of 1950 are requested to see that either the original pass certificates or the duplicates thereof which should form enclosures to the application of candidature (as required in Cols. V and IX) are obtained by the candidates not later than 30th November 1949. The candidates should under no circumstances be allowed to send their applications for duplicates of passed certificates or the Treasury Chellans as enclosures to the applications for candidature.

5 No candidate who has not passed the Junior Examination will be permitted to appear for the Senior Grade and those who have not passed the Senior Grade Examination will not be permitted to appear for the Proficiency Grade Examination in Shorthand and Typewriting. But candidates who have passed the S.S.L.C. Examination and have been declared eligible for University Course or candidates who have passed any University Examination are eligible for admission to the Senior Course in any recognised institution in subjects other than Shorthand and Typewriting without passing the corresponding Junior Examination.

6 The fees once paid into the Treasury for admission to the Commercial Examinations, shall on no account be refunded, but may be reserved for the same examination in the following year, if the candidate is unable to sit for the examination on account of illness. The application for such reservation should be sent so as to reach the Secretary on or before the date of the commencement of the Examination for which the fees have been paid, and should be supported by a medical certificate from a Registered Medical Practitioner.

7 The Heads of Commercial Institutions sending up candidates for the Mysore Government Commercial Examinations are requested to send the applications arranged alphabetically *irrespective* of Junior, or Senior or Proficiency Grades.

8 A consolidated list of candidates who are deficient in attendance calculated up to 10th March 1950 should be sent not later than 15th March 1950 in the prescribed form which will be supplied by the Secretary with the recommendations, if any, of the Head of the Institution.

9 It is of utmost importance that the Heads of Institutions should not only advise the candidates to give their correct date of birth, (*i.e.*) day, month and year, but also reconcile the dates given in the application forms with those in the Admission Register of the school. The candidates should be made to give only their father's (whether living or not) names and not their guardians' names.

10 Only failed candidates and candidates who have put in the necessary attendance during the full session at a recognised Commercial Institution are allowed to appear for the second Examination in Shorthand and Typewriting, Junior and Senior Grades which will be held in November 1949. The last date for sending up applications for the second Examination is 1st September 1949 without penalty and 15th September 1949 with a penalty of Re. 1.

11 *Private Candidature*.—The following classes of candidates are allowed to appear by private study.—

(1) Candidates who have appeared and failed in a particular subject and grade provided they have not joined any institution.

(2) Candidates who have putin an attendance of two complete terms continuously in a recognised institution and produce the necessary attendance certificates.

(3) Candidates who are graduates of any recognised University, provided they apply for such permission within the 31st October.

(4) Candidates who are whole-time employees of Government Offices or Institutions, Local Bodies and Business Houses and who have put in a service of at least two years provided they apply within 31st October for such permission through the Heads of their Offices together with a certificate to the effect that the nature of their employment is such that it does not admit of attendance at a recognised institute and that their conduct and progress in the subject or subjects in which they wish to be examined justify their appearance as private candidates.

The concession does not apply for candidates appearing for the Second Examinations.

12 The admission tickets of candidates who appear for the Commercial Examinations of 1950 BY PRIVATE STUDY will be sent direct to the candidates concerned by ordinary post to the address furnished by them in their applications for admission to the examination about fifteen days prior to the date of the commencement of the examination. Private candidates are therefore advised to enter Postal address clearly and correctly in their application forms. The Examination Office cannot undertake to note the change in the addresses intimated after the applications are sent in, and it will not be responsible for non-delivery of admission tickets, etc., sent to the candidates concerned, in consequence of the incompleteness, inaccuracy or change of postal address furnished by them.

13 The Commercial Examinations will be held *in all subjects and in all the grades in Bangalore, Mysore, Davangere and Shimoga.* Oral and Practical Examinations in Typewriting will be held in all the three grades immediately after the theory examinations are over. The candidates who have passed in theory Examination in typewriting in previous years should take the practical examination in November 1949 or April 1950 examinations.

14 It should be clearly understood that the provisions in this Memo do not in any sense supersede the detailed Notifications relating to the Commercial Examinations and that the

Notification dated 1st August 1949.

PURCHASE OF CLOTH DIRECT FROM MILLS.

No. T. 1153. Information has reached the undersigned that some dealers in Mysore State who are not the State nominees are contacting Mills outside Mysore State particularly in Bombay, Ahmedabad and Sholapur with a view to purchase cloth direct from the mills out of stocks allowed for free sale. This procedure is detrimental to the working of the existing cloth distribution scheme in Mysore State as with the flooding of cloth purchased under free sale direct from the Mills, the regular quota of cloth will not freely move from procurers to wholesalers and from them to retailers. Besides purchase of cloth under free sale allowed to mills by the Textile Commissioner, Bombay, by all and sundry will render it difficult to collect the ½ per cent centage which has to be recovered to Government on all cloth imported into the State either under allotment or under *Ad-hoc* quota or under free sale.

In order to obviate the above difficulties it is notified for the information of cloth dealers in particular that only the State nominees have been appointed as approved buyers of cloth from any mills outside Mysore State under *Ad-hoc* quota or under free, sale and the Textile Commissioner, Bombay, has been informed accordingly.

Persons other than the recognised State Nominees are hereby directed not to purchase cloth from Mills outside Mysore State without prior approval from this office. In spite of this warning, if any person indulges in such purchases, he does it at his own risk. Such an act will be construed as in infringement of provisions of clause 8 of Cotton Textile Control Order.

As regards those persons who are not State Nominees and who have either already purchased or have committed to purchase cloth from Mills before the date of this Notification, they should immediately declare the stocks to this office for purposes of recovering ½ per cent centage on all such goods and to enable issue of instructions as regards their disposal. The declaration should furnish the following information :—

1 Applicant *i e.* Name of the party receiving the goods in Mysore with address ... .
2 The Mills from whom the goods have been purchased and the date of purchase ... .
3 The date when the goods have arrived in Mysore State ... ...
4 Quantity and variety in each case ... .
5 Total Ex-Mill value of consignment ... .
6 Release Order No.....Date ..... of the Textile Commissioner's Office ... .

Notification dated 10th August 1949.

No. C. S. 6-147—49-50. Whereas it has been brought to my notice that there has been acute dearth for manure due to the conversion of the cow dung into cow dung cakes instead of using the same for manurial purposes, whereas the need for preserving cow dung for agricultural purposes in rural areas is essential to grow more food and whereas with a view to securing that purpose and to maintain supplies for foodgrains essential to the community, it has become quite necessary to prohibit the import of cow dung cakes as fuel into the Municipal areas (cities and towns).

Wherefore, in exercise of the powers vested in me by sub-rule (2) of Rule 81 of the Defence of India Rules as applied to Mysore and continued by the Supplies, Services and Miscellaneous Provisions (Temporary Powers) Act, 1947 (XX of 1947) I, G. N. Nagaraja Rao, M.Sc., Deputy Commissioner, Mysore District, do hereby prohibit the import of cow dung cakes in

form as fuel into the municipal areas (cities and towns) from the neighbouring rural parts. This notification shall come into effect from 1st September 1949.

Any person who acts in contravention of this notification is punishable under the Defence of India Rules as applied to Mysore.

With reference to Rule 119 of the said Rules, it is directed that notice of this notification shall be given by publication in the official Gazette.

To

The Deputy Commissioners,
Treasury Departments.
All Districts.

Sir,

It has been brought to the notice of this office by the Commissioner of Sales-Tax in Mysore, Bangalore, that the instructions issued in this Office Circular No. 142, dated 30th August 1948, regarding accounting of Sales-Tax transactions are not properly followed in the Treasuries with the result that it has not been possible to properly consolidate the departmental accounts and the assessees are also put to much inconvenience. The following are the chief irregularities pointed out by the Commissioner for Sales-Tax in Mysore, Bangalore:—

1. Address in full of the Assessees not being entered in Col. 2 of the chellan form.
2. Address of the party not being entered in full in the subsidiary register.
3. A copy of the schedule with the relevant counterfoils of the chellans once a week not being sent to the Sales Tax Officer of the area concerned.

The Treasury Officers are, therefore, directed to strictly follow the instructions issued in this Office Circular No. 142—B2, dated 30th August 1948, with particular reference to the above irregularities, with a view to facilitate early reconciliation between the treasury and departmental figures and to avoid similar complaints from the Sales-Tax Commissioner in future.

The Treasury Officers of the Taluks of the Districts also may kindly be instructed accordingly.

Statement showing the latest dates for sending in applications for the several Public Examinations of 1950, appended hereto is notified for general information. Special attention is invited to the following points :—

1. Applications for admission to the examinations should be submitted on printed forms which will be supplied on application to the Secretary, Secondary Education Board, New Public Officers, Bangalore, after the 15th September 1949. All requisitions for forms should reach the Secretary, *at least a fortnight before* the latest date prescribed for sending in applications for admission to the examinations. The Secretary will not be responsible for non-receipt of forms owing to the requisitions being sent too late or to miscarriage of letters in post, the address being incorrect or incomplete and such other reasons.

2. Fees as shown in column No. 2 of the statement against the particular examination to which the candidates seek admission should be credited into a Mysore Government treasury in time for sending in the applications by **Registered Post** so as to reach the Secretary, Secondary Education Board, on or before the date mentioned in Column 1 after which date *no applications will be received for that particular examination.*

NOTE.—Late applications for admission to the several Public Examinations conducted by the Department will be entertained up to 15 (fifteen) days from the dates prescribed for submitting applications for the several examinations on payment of a penal fee of rupee one in respect of each such application. The amount should be credited to a Government Treasury and the receipt obtained thereof sent along with the application form. No application will be entertained under any circumstances 15 days after the date fixed for a Public Examination.

3. *Fee sent in cash or in any form will not be accepted.* Candidates living outside the State should make their own arrangements for paying application fees for the examination into a Mysore Government Treasury and send the printed application form with the Treasury receipt and seal thereon on or before the specified date.

4. All columns in the form of application should be carefully and accurately filled in. The enclosures mentioned in column No. 3 in the statement should invariably be attached to the application for admission to the examination. Applications found *defective in any respect* will be rejected and returned to the party and *request for refund of fees on the ground that the applications were rejected will not be entertained.*

5. The printed column in the application form for non-attendance certificate in the case of private candidates for S.S.L.C., Middle School and Upper Primary Examinations of 1950 should be filled in before the form of application is sent to the Secretary, Secondary Education Board. The officers who sign the certificates of non-attendance are requested to satisfy themselves that the candidate is a *bona fide* private candidate and they should ensure themselves that no scope for irregularity of any kind is allowed in this respect.

6. (*i*) Applications for transfer of centres, if any, in respect of the Middle School or Upper Primary Examination, should ordinarily reach the Secretary, Secondary Education Board, New Public Offices, Bangalore, on or before the 31st January preceding the examination, with sufficient and valid reasons.

(*ii*) A fee of Re. 1 will be levied in respect of each such application submitted for good reasons, between the 1st and 10th February preceding the examination. Each application for change of centre submitted during this period should be accompanied by a treasury receipt for Re. 1. No change of centre will be granted *under any circumstances after the 10th February preceding the Examination.*

(*iii*) Applications for change of centres in the case of school candidates should be submitted through the Heads of Middle or Upper Primary Schools and in the case of private candidates through their parents or guardians.

(*iv*) Applications for a change of centre should contain information on the points noted below :—

(1) The centre originally selected by the candidate.
(2) The centre to which his name is required to be transferred.
(3) Whether the change of centre applied for is for the Middle School Examination or for the Upper Primary Examination or for any other Examination.

(2) The fee paid for change of centre will neither be refunded nor reserved for a subsequent examination, if the change has been refused for want of proper reasons in support of the change asked for.

7. The fees once paid into the Treasury for admission to any Public Examination shall, on no account, be refunded but may be reserved for the very next examination only if the candidate was unable to sit for the examination on account of illness. This should be supported by a Medical Certificate from a Registered Medical Practitioner provided the application for such reservation reaches the Secretary, Mysore Secondary Education Board, Bangalore, before the commencement of the Examination for which the fees have been paid.

8. The Heads of Institutions sending up candidates for the Middle School or the Upper Primary Examination of 1950 are requested to send the applications arranged according to the instructions given in the statement sent along with the application forms.

9. A consolidated list of candidates, who are deficient in attendance calculated up to the end of February 1950, should be sent in the prescribed form, which will be supplied along with the application forms so as to reach the Secretary, Secondary Education Board Bangalore, *not later than the* 5th March 1950. The attention of the Heads of institutions is invited to Director of Public Instruction's Circular No. 1 of 1940-41—Edn. 64-3 of 1940-41, dated 11th July 1940, laying down rules regarding the cases to be recommended for exemption.

10. It is of utmost importance that the Heads of schools should not only advise the candidates to give their correct date of birth, *i.e.*, day, month and year, but also reconcile the dates given in the application form with those entered in the Admission Register of the School. *The candidates should be made to give only the father's name (whether living or not) and not the guardian's name.*

11. The Heads of High Schools sending up candidates for the S.S.L.C. Public Examination will kindly note the following points in conection with the preparation and submission of applications for candidature :—

(*a*) Candidates should be asked to give their *correct* date of birth, *viz.*, the day, month and year in the form of application *as entered in the form of application for admission to the School and in Admission Register* of the School without giving room for unnecessary correspondence in the matter. They should be advised to enter *only the father's name (whether living or not)* in the form of application and not the guardian's name.

(*b*) The Heads of Institutions should satisfy themselves that the entries in the S.S.L.C. card correspond with those in the form of application for admission to the examination in every respect and that the date of birth entered in the S.S.L.C. card corresponds with that in the admission register of the school.

(*c*) The Heads of High Schools should arrange the applications and the S.S.L.C. cards separately in the same order, *i.e.*, firstly, according to the second language chosen by them and secondly, in the alphabetical order under the several second languages. In no case should the application forms and the S.S.L.C. cards be mixed up, as this will lead to confusion while checking applications. The applications and S.S.L.C. cards of candidates who have been declared "Passed" in previous year should be separated from others and arranged in the same manner as stated above.

(*d*) The Heads of High Schools should also furnish a separate certificate to the effect that all the entries in the form of application and the S.S.L.C. card agree with those made in the admission register of the schools.

(*e*) A classified statement showing the names of candidates under "Ordinary" and "Supplementary" certificates, the several second languages and optional subjects offered by them should accompany the applications for candidature.

12. The admission tickets of candidates who appear for the several Examinations of 1950 by *private study* will be sent direct to the candidates concerned by ordinary post to the address furnished by them in their application for admission to the examination about 15 days prior to the date of the commencement of the examination to which the particular candidate has appeared. Private candidates are therefore advised to enter their postal addresses clearly in their application forms. *The Examination Office cannot undertake to note the changes in the address intimated after the applications are sent in* and it will not be responsible for non-delivery of admission tickets, etc., sent to the candidates concerned in consequence of the incompleteness or inaccuracy or change of the postal addresses furnished by them.

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 27th September 1949.

REVISED ARRANGEMENT IN CLOTH DISTRIBUTION.

No. T. 2369. The present distribution arrangement remained in force since the re-imposition of controls with slight changes from time to time and continued to work satisfactorily from all points of view. Certain developments, particularly, in the Mills in Bombay, Ahmedabad and Sholapur necessitated the Textile Commissioner, Bombay, to allow the Mills to sell their unlifted or unallotted cloth to consumers of their choice in any place in Indian Dominion. As a result, the procurement of cloth from surplus areas is no more confined to the State Nominees and the wholesalers are also free to purchase goods direct from the Mills and sell to the licensed retailers. Though in the first instance the procurement of "Free Goods" was confined to the State Nominees, as per Notification No. T. 1153, dated 1st August 1949, issued from this office the latest position has however necessitated the withdrawal of the said restriction.

On a careful consideration of all aspects of the issue and in exercise of the powers conferred on me by clause 30 and sub-clause (1) (a) and (b) of clause 32 (1) of Cotton Textile Control Order, 1948, I hereby lay down the revised procedure in the matter of distribution of cloth of various mills throughout Mysore State :—

1. The three classes of dealers, *viz.*, Procurers, Wholesalers and Retailers are continued to function subject to the existing rules in force.

2. *State Nominees.*—(*a*) The monthly allotment of local mill goods, Buckingham and Carnatic Mill goods and Mettur Mill goods will be arranged in favour of State Nominees only as at present. Allotment of the above goods to the wholesalers will be arranged through the Purchase Authorities as heretofore.

Local Mill fents should be declared by the nominees as usual for allotment to readymade dressers in Bangalore City. Dhoty fents, Saree fents and longcloth fents need not be declared and may be sold under free sale.

In case the Local Mills should be in a position to offer local Mill goods under free sale to any State Nominee the goods so purchased should be declared to this office for allotment to wholesale dealers through the Purchase authority and such goods should not be sold under free sale.

(*b*) The allotment of monthly quotas of Bombay, Ahmedabad and Sholapur goods by the Textile Commissioner, Bombay will be arranged as usual in favour of the State Nominees. They are free to procure out of allotted goods as much saleable quantity as they are capable of purchasing in Bombay, Ahmedabad and Sholapur and sell such goods to any wholesale dealers in the State without any restriction as regards quantity or variety after crediting to Government the usual centage of ½ per cent on Ex-Mill value.

Immediately on arrival of the goods in Bangalore the Nominees should declare the stocks giving particulars of the quantity in different variety with other particulars and commence sales after a lapse of 5 days from the date of declaration. In case certain varieties are in short supply in particular areas, the quantity and variety required will be allotted to the concerned wholesalers, out of the declared stocks. Where the concerned wholesale dealers do not pay for and lift the goods within 5 days from the date the Nominees send intimation to the wholesale dealer the nominee may dispose of the allotted stocks under free sale to any wholesale dealers of his choice, after the lapse of 5 days.

Since the Nominees are now free to sell their regular quota to their own dealers, the responsibility for purchasing the required varieties of goods and their disposal solely rests on them and they should not under any circumstance approach for any kind of relief for the disposal of accumulated unwanted stocks which may arise owing to bad purchases.

The nominees are free to purchase any quantity of cloth from Mills in Bombay, Ahmedabad, Sholapur under free sale and dispose of the stocks to wholesale dealers of their choice subject to the procedure laid down above.

(*c*) The nominees should furnish a statement of sales of Bombay, Ahmedabad and Sholapur Mill goods at the end of each month. One copy of such statement should reach this office not later than the 5th of the succeeding month and another copy forwarded to the Enforcement Officer, Bangalore, for information.

4. *Retail Cloth Dealers.*—The licensed retail dealers are free to purchase Bombay, Ahmedabad and Sholapur Mill goods under free-sale from any wholesale dealers in the State : Local Mill, B. and C. Mills and Mettur Mill goods from any wholesale dealers attached to areas to which they belong. As regards local Mill goods, they cannot purchase more than 500 yds. from any one wholesaler and not more than 250 yds. of any one variety within the 500 yds. limit against each allotment. But there is no restriction in their purchasing local mill goods from more than one wholesaler attached to the Taluk. In any case, they should obtain entries of sales of goods either foreign or local in their purchase slip attached to their respective licenses to enable checking and supervision over such purchases by the departmental staff.

5. *Margin of Profits.*—Margin of profit and other charges as they relate to the different classes of dealers with regard to superfine, fine, medium and coarse cloth and local mill goods, B & C Mill goods, Mettur Mill goods should be scrupulously followed and the limits should not be exceeded by any class of dealers. Any infringement of this condition will be construed as violation of sub-clause (1) (a) of clause 22 of the Mysore Cotton Textile Control Order, 1948 and the dealers concerned are liable for prosecution.

The above revised arrangements are brought into force not only to afford relief to the dealers under the present slump in cloth market but also primarily to help the consumers to take advantage of varieties they are used to, out of abundant supply of cloth at controlled rates. The dealers in particular are cautioned before hand that any tendency of anti-social activity on the part of a few of them will necessitate the cancellation of the concessions now extended and revert to the existing distribution restrictions. It is hoped that the trade interests will appreciate the critical period through which the country is passing and extend their wholehearted co-operation so as to make the revised arrangement a success thereby paving the way for the early removal of all restrictions. By such co-operation they will earn good-will of the consumers in whose interests the present cloth control is exercised at present.

The above revised distribution arrangements will remain in force till 15th November 1949.

OFFICE OF THE CHIEF INSPECTOR OF MINES AND EXPLOSIVES IN MYSORE.

Notification No. 629. dated Oorgaum, 24th September 1949.

Instances have come to the notice of this Department where licensees manufacturing explosives, instead of doing so in the places indicated on their licenses do clandestinely manufacture them in their own dwelling houses or sale premises within closed doors during night time. As such places are generally situated on public roads in congested localities and since such a practice is liable to endanger public safety, persons in the know are requested to guard themselves against eventualities by promptly reporting the names of such licensees to the local Police authorities. This notice is published for general information in view of the approaching Deepavali Festival when the licensees are likely to transgress the conditions of their licenses owing to the demand for firework articles during the season.

Government in their Notification No. D. 2814—Geol. 66-28-25, dated 9th September 1930, have prohibited, within the Myore State, the manufacture, possession and importation of any explosive consisting of or containing sulphur or sulphuret in admixture with chlorate of potassium or any other chlorate.

Many accidents, caused during the illicit manufacture and handling of a variety of fireworks commonly known as "Pattas" or "Bellulli Pattas"—throwdowns or small bombs—consisting of a mixture of potassium chlorate (ಪಟಾಸ್ ಉಪ್ಪು) and Arsenic or Antimony Sulphide (ಮಣಶಿಲೆ ಹರಿದಳ) or Sulphur (ಗಂಧಕ) have come to the notice of this Department resulting in serious and sometimes fatal injuries to the persons manufacturing or handling the mixture, besides doing damage to property.

The mixture constitutes a highly dangerous explosive which is sensitive to friction, force (blows) and even liable to ignite spontaneously.

As this firework composition is mostly used during Deepavali and Shaban festivals, timely warning is hereby given to all persons concerned not to manufacture, possess or sell this dangerous explosive.

Any person manufacturing, possessing or importing such a mixture will be punished according to Law.

K. DURAISWAMIER,
Chief Inspector of Mines and Explosives in Mysore.

OFFICE OF THE COMMISSIONER FOR FOOD PRODUCTION AND *EX-OFFICIO* CONTROLLER OF CIVIL SUPPLIES IN MYSORE BANGALORE.

Notification dated 29th September 1949.

No. F. 2516. In their Notification No. 1993—C. B 66-49-2, dated the 9th September 1949, Government are pleased to appoint me as Commissioner for Food Production Scheme and I have assumed charge of the Commissioner for Food Production Scheme with effect from 10th September 1949.

The Heads of Departments and the public are hereby requested to send all correspondence relating to Food Production Scheme to the following address.

"M. K. Appajappa, Commr. for Food Production in Mysore, United India Buildings, Bangalore 2."

Notification dated 6th October 1949.

(*Revised arrangements in yarn distribution.*)

No. T. 2718. The present distribution arrangements in yarn remained in force since the reimposition of controls whereby the allotment of yarn to powerlooms was being arranged by the office of the undersigned and for Handlooms through the Deputy Commissioners of the Districts concerned except in the case of Bangalore City and Bangalore District where the distribution was arranged by the office of the Controller of Civil Supplies.

2. However since February 1949, the demand for yarn slackened owing to increase in yarn prices and lack of demand for handloom and powerloom goods as a result of competition by mill-made cloth which was abundantly available comparatively at cheaper rates. Consequently the demand for yarn decreased and large yarn quotas had to be lapsed to the mills.

3. To overcome the above difficulties and to reduce the cost of yarn in order to assist the handloom and powerloom industries in the State, the following revised arrangements are laid down in exercise of the powers conferred on me by Clause 30 and sub-clause (1) (a) and (b) of Clause 32 (1) of Textile Control Order, 1948 and sub-clause 1 (a) of Clause 22 of the Mysore Cotton Textile Control Order, 1948 as the matter relates to distribution and margins of profit of dealers respectively.

Method of Distribution.—

1. The State Nominees will function hereafter subject to condition laid down below with effect from the date of this notification.

2. The procurers of certain mills who were not entitled to procurers' margin will function hereafter as agents of the respective mills. They should sell yarn at ex-mill rate *plus* Sales Tax *plus* ½ per cent centage to be remitted to Government as before *plus* actual transport charges, if any. (They need not collect 1½ per cent procurers margin on yarn to be sold to the wholesalers as the collection of this margin has been waived by Government). But they should remit to Government centage and procurers' margin on stocks already sold to wholesale dealers.

3. The procurers *cum* consumers who were getting yarn from the mills direct for use in their factories are required to remit ½ per cent centage and 1½ per cent procurers margin on yarn already purchased by them But they are required to remit ½ per cent entage only on yarn to be purchased hereafter and they are no more required to pay 1½ per cent procurers margin.

4. The procurers *cum* wholesalers have got to remit to Government ½ per cent centage and 1½ per cent procurers margin on yarn purchased direct from the mills and sold already. But on yarn to be purchased hereafter direct from the mills they are required to remit ½ per cent centage only.

5. The procurers who were hitherto entitled to procurers margin are classified as procurers *cum* wholesalers and they function subject to conditions laid down in para (4) above.

6. Where the above classes of distributors purchase yarn from mills direct either local or foreign under free sale or under Ad-hoc supplies they should remit ½ per cent centage to Government and declare such stocks to this office for issue of release order. In case such release orders are not issued within five days from the date of declaration they are free to sell such yarn under free sale to customers of their choice, provided they remit to Government ½ per cent centage before such sales.

7. Sri Shankara Textile Mills, Davangere, who were required to function as Nominees for their yarn sold in Mysore State should or credit to Government ½ per cent centage and 1½ per cent procurers margin on yarn sold by them to wholesale yarn dealers within Mysore State up to the date of this Notification. From the date of this notification they are required to collect and remit to Government ½ per cent centage only on yarn that they may sell to wholesale dealers who have their place of business within Mysore State.

Wholesale Yarn Dealers.

1 The wholesale yarn dealers will be allotted yarn out of the State quota as at present and they are entitled to charge 2½ per cent wholesale margin instead of 3 per cent as at present.

2 Wholesale yarn dealers to whom powerloom factories are attached are required to sell yarn to them as per the quota already fixed. In case such powerloom factories do not pay for the goods and lift the allotted quota within ten days from the date, the concerned wholesale dealer sends intimation to the powerlooms; then the quotas of such powerlooms may be treated as lapsed and may be sold to powerlooms or to retail yarn dealers of their choice.

3 Wholesale yarn dealers who are now attached to the Districts for purposes of yarn distribution to retail yarn dealers are free to sell yarn quota allotted to them to the retail yarn dealers of the Districts, to which they are attached

4 Where the wholesale yarn dealers purchase yarn under free sale direct from the mills (either local or foreign) they are required to remit ½ per cent centage to Government and sell such yarn to powerloom factories or retail yarn dealers of their choice throughout the State, subject only to 2½ per cent wholesale margin. The right to sell such yarn will accrue to them only after crediting ½ per cent centage to Government and after declaration of such stocks to this office.

5 Yarn purchased by wholesale yarn dealers under free sale from the mills for purposes of export outside the State is subject to the same procedure as laid down in para 4 above.

Retail yarn Dealers:—

The retail yarn dealers in the State are free to purchase yarn without restriction as to quantity or count from the wholesale yarn dealers attached to their district and sell such yarn to the weavers attached to them as well as to any other consumer within the district in which they have their place of business. From the date of this notification they should charge 5 percent retail margin only calculated on Ex-Mill rate instead of 6¼ per cent as at present. They are free to purchase yarn and sell such yarn as indicated above and they need not await any distribution instructions either from this office or from the Deputy Commissioners of the Districts concerned.

Margin of Profit and Other Charges:—

In effect the margins of profits will be as indicated below on Rs. 100 Ex-mill value of yarn.

1	Sales Tax ...	0	8	0	(Calculated on Ex-mill value)
2	Centage ...	0	8	0	(Do do
3	Wholesale Margin ...	2	8	0	(Do do
4	Retail Margin ...	5	0	0	(Do do
	Total ...	8	8	0	

Handling and Transport Charges on Yarn from Mills to Consumers.

1 In the case of yarn manufactured in the Mysore Spinning and Weaving Mills, Minerva Mills, Krishnarajendra Mills, Bangalore Woollen Cotton and Silk Mills, Bangalore, the dealers can charge actual handling and transportation charges which in the aggregate should not exceed 0-5-0 per bundle of 10 lbs. by the time yarn reaches the consumers.

2 On yarn manufactured in Davangere Mills, Sri Shankara Textile Mills, they are entitled to charge actual charges which in the aggregate should not exceed seven annas (0-7-0) per bundle of 10 lbs. by the time yarn reaches the consumers.

3 On yarn manufactured in mills outside Mysore State they are entitled to charge actual expenditure which in the aggregate should not exceed Re. 0-10-0 per bundle of 10 lbs. by the time yarn reaches the consumers.

The above revised arrangements in yarn distribution will come into force from the date of this Notification and will continue to remain in force till 1st January 1950.

To

Subject :—*Re* purchase of Return Tickets by the candidates proceeding to Foreign Countries for Higher Studies.

No. 608—Books. The Heads of Departments are requested to advise the candidates sponsored by them for foreign studies to avail themselves of the opportunity of purchasing a Return Ticket for their journeys when the period of their study does not exceed a year and wherever such Return Tickets are available at a concession rate. It will be cheaper to do so as a reduction of 10 per cent is generally allowed by the Travel Agents. When, however, after obtaining a Return Ticket, a candidate is obliged to extend his stay over a year' the amount of the return passage will be refunded by the Travel Agents, if intimation of the same is given to them one month before the expiry of the date.

The Heads of Departments may, therefore, pass in full the bills of the Travel Agents where Return Tickets have been purchased by the candidates if a certificate to the effect that the proportionate amount will be refunded in case the return journeys are not undertaken, is given by the Travel Agents.

V. T. SREENIVASAN,
Comptroller.

2481

Letter No. MA (CY) No. 14229—Res. 7-9 of 49, dated 13th September 1949.

Withdrawal from circulation of India Rs. 100 notes having the words "Karachi" or "Lahore" printed on them.

We have to advise that Rs. 100 notes having the word "Lahore" or "Karachi" printed on them have ceased to be legal tender with effect from the 12th September 1949 but will continue to be accepted at the offices of the Reserve Bank of India at Bombay, Calcutta, Delhi, Madras and Kanpur, all Government treasuries including sub-treasuries and branches of the Imperial Bank of India maintaining currency chests.

2. *But as these notes are no longer legal tender, they should be transferred to the chests on the same day that they are accepted.* They should be held in the chest separately until they are sent along with the next soiled note remittance to the concerned collecting chest or this office as the case may be. It should also be particularly noted that these notes should be packed separately and an indentifying remark to this effect should be given in the invoices for the remittance.

3. A copy each of the relative notification and the Press Communique issued by the Government of India is enclosed for your information.

Draft Notification.

In exercise of the powers conferred by sub-section (2) of section 26 of the Reserve Bank of India Act, 1934 (II of 1934), and on the recommendation of the Central Board of the Reserve Bank of India, the Central Government is pleased to declare that with effect from the 12th September 1949, all currency notes of the Government of India and bank notes of the denominational value of Rupees one hundred having the word "Karachi" or "Lahore" printed on them, shall cease to be legal tender in India save at—

(*a*) Offices of the Issue Department of the Reserve Bank of India at Bombay, Calcutta, Delhi, Madras and Kanpur, and

(b) Government treasuries including sub-treasuries and branches of the Imperial Bank of India maintaining currency chests of the Issue Department of the Reserve Bank of India.

(Sd.).....
Deputy Secy. to the Govt. of India.

Press Communique.

By a notification issued to-day in the Gazette of India, the Government of India have declared that all currency notes of the Government of India and bank notes of the denominational value of Rs. 100 having the words "Karachi" and "Lahore" printed on them shall cease to be legal tender save at the Issue Departments of the Reserve Bank of India and Government treasuries and branches of the Imperial Bank of India maintaining currency chests of the Issue Department of the Reserve Bank of India. After the partition of India, Karachi and Lahore offices of the Reserve Bank of India have come under Pakistan and the public in this country is generally chary of accepting notes belonging to these circles. It is therefore, considered desirable that steps should now be taken to withdraw notes of the Karachi and Lahore circles still in circulation in India; the notes of these circles will, however, continue to be received at the offices and agencies of the Reserve Bank of India. It is explained that although Karachi and Lahore circle notes have continued to circulate in India, their further issue from the chests ceased soon after the partition.

2. Hundred-rupee notes of all other circles, *viz.* Bombay, Calcutta, Delhi, Madras and Kanpur shall continue to be legal tender and circulate freely as hitherto.

OFFICE OF THE CHIEF INSPECTOR OF MINES AND EXPLOSIVES IN MYSORE.

Notification No. 629. dated Oorgaum, 24th September 1949.

Instances have come to the notice of this Department where licensees manufacturing explosives, instead of doing so in the places indicated on their licenses do clandestinely manufacture them in their own dwelling houses or sale premises within closed doors during night time. As such places are generally situated on public roads in congested localities and since such a practice is liable to endanger public safety, persons in the know are requested to guard themselves against eventualities by promptly reporting the names of such licensees to the local Police authorities. This notice is published for general information in view of the approaching Deepavali Festival when the licensees are likely to transgress the conditions of their licenses owing to the demand for firework articles during the season.

Government in their Notification No. D. 2814—Geol. 66-28-25, dated 9th September 1930, have prohibited, within the Myore State, the manufacture, possession and importation of any explosive consisting of or containing sulphur or sulphuret in admixture with chlorate of potassium or any other chlorate.

Many accidents, caused during the illicit manufacture and handling of a variety of fireworks commonly known as "Pattas" or "Bellulli Pattas"—throwdowns or small bombs—consisting of a mixture of potassium chlorate (ಪಟಾಸ್ ಉಪ್ಪು) and Arsenic or Antimony Sulphide (ಮೊಣಶಿಲೆ ಹರಿದಳ) or Sulphur (ಗಂಧಕ) have come to the notice of this Department resulting in serious and sometimes fatal injuries to the persons manufacturing or handling the mixture, besides doing damage to property.

The mixture constitutes a highly dangerous explosive which is sensitive to friction, force (blows) and even liable to ignite spontaneously.

As this firework composition is mostly used during Deepavali and Shaban festivals, timely warning is hereby given to all persons concerned not to manufacture, possess or sell this dangerous explosive.

Any person manufacturing, possessing or importing such a mixture will be punished according to Law.

K. DURAISWAMIER,
Chief Inspector of Mines and Explosives in Mysore.

MISCELLANEOUS DEPARTMENTS

OFFICE OF THE COMMISSIONER FOR FOOD PRODUCTION AND *EX-OFFICIO* CONTROLLER OF CIVIL SUPPLIES IN MYSORE BANGALORE.

Notification dated 29th September 1949.

No. F. 2516. In their Notification No. 1993—C. B. 66-49-2, dated the 9th September 1949, Government are pleased to appoint me as Commissioner for Food Production Scheme and I have assumed charge of the Commissioner for Food Production Scheme with effect from 10th September 1949.

The Heads of Departments and the public are hereby requested to send all correspondence relating to Food Production Scheme to the following address.

"M. K. Appajappa, Commr. for Food Production in Mysore, United India Buildings, Bangalore 2."

Notification dated 6th October 1949.

(Revised arrangements in yarn distribution.)

No. T. 2718. The present distribution arrangements in yarn remained in force since the reimposition of controls whereby the allotment of yarn to powerlooms was being arranged by the office of the undersigned and for Handlooms through the Deputy Commissioners of the Districts concerned except in the case of Bangalore City and Bangalore District where the distribution was arranged by the office of the Controller of Civil Supplies.

2. However since February 1949, the demand for yarn slackened owing to increase in yarn prices and lack of demand for handloom and powerloom goods as a result of competition by mill-made cloth which was abundantly available comparatively at cheaper rates. Consequently the demand for yarn decreased and large yarn quotas had to be lapsed to the mills.

3. To overcome the above difficulties and to reduce the cost of yarn in order to assist the handloom and powerloom industries in the State, the following revised arrangements are laid down in exercise of the powers conferred on me by Clause 30 and sub-clause (1) (a) and (b) of Clause 32 (1) of Textile Control Order, 1948 and sub-clause 1 (a) of Clause 22 of the Mysore Cotton Textile Control Order, 1948 as the latter relates to distribution and margins of profit of dealers respectively.

Method of Distribution.—

1. The State Nominees will function hereafter subject to condition laid down below with effect from the date of this notification.

2. The procurers of certain mills who were not entitled to procurers' margin will function hereafter as agents of the respective mills. They should sell yarn at ex-mill rate *plus* Sales Tax *plus* ½ per cent centage to be remitted to Government as before *plus* actual transport charges, if any. (They need not collect 1½ per cent procurers margin on yarn to be sold to the wholesalers as the collection of this margin has been waived by Government). But they should remit to Government centage and procurers' margin on stocks already sold to wholesale dealers.

3. The procurers *cum* consumers who were getting yarn from the mills direct for use in their factories are required to remit ½ per cent centage and 1½ per cent procurers margin on yarn already purchased by them. But they are required to remit ½ per cent entage only on yarn to be purchased hereafter and they are no more required to pay 1½ per cent procurers margin.

4. The procurers *cum* wholesalers have got to remit to Government ½ per cent centage and 1½ per cent procurers margin on yarn purchased direct from the mills and sold already. But on yarn to be purchased hereafter direct from the mills they are required to remit ½ per cent centage only.

5. The procurers who were hitherto entitled to procurers margin are classified as procurers *cum* wholesalers and they function subject to conditions laid down in para (4) above.

6. Where the above classes of distributors purchase yarn from mills direct either local or foreign under free sale or under Ad-hoc supplies they should remit ½ per cent centage to Government and declare such stocks to this office for issue of release order. In case such release orders are not issued within five days from the date of declaration they are free to sell such yarn under free sale to customers of their choice, provided they remit to Government ½ per cent centage before such sales.

7. Sri Shankara Textile Mills, Davangere, who were required to function as Nominees for their yarn sold in Mysore State should or credit to Government ½ per cent centage and 1½ per cent procurers margin on yarn sold by them to wholesale yarn dealers within Mysore State up to the date of this Notification. From the date of this notification they are required to collect and remit to Government ½ per cent centage only on yarn that they may sell to wholesale dealers who have their place of business within Mysore State.

Wholesale Yarn Dealers.

1 The wholesale yarn dealers will be allotted yarn out of the State quota as at present and they are entitled to charge 2½ per cent wholesale margin instead of 3 per cent as at present.

2 Wholesale yarn dealers to whom powerloom factories are attached are required to sell yarn to them as per the quota already fixed. In case such powerloom factories do not pay for the goods and lift the allotted quota within ten days from the date, the concerned wholesale dealer sends intimation to the powerlooms, then the quotas of such powerlooms may be treated as lapsed and may be sold to powerlooms or to retail yarn dealers of their choice.

3 Wholesale yarn dealers who are now attached to the Districts for purposes of yarn distribution to retail yarn dealers are free to sell yarn quota allotted to them to the retail yarn dealers of the Districts, to which they are attached.

4 Where the wholesale yarn dealers purchase yarn under free sale direct from the mills (either local or foreign) they are required to remit ½ per cent centage to Government and sell such yarn to powerloom factories or retail yarn dealers of their choice throughout the State, subject only to 2½ per cent wholesale margin. The right to sell such yarn will accrue to them only after crediting ½ per cent centage to Government and after declaration of such stocks to this office.

5 Yarn purchased by wholesale yarn dealers under free sale from the mills for purposes of export outside the State is subject to the same procedure as laid down in para 4 above.

Retail yarn Dealers:—

The retail yarn dealers in the State are free to purchase yarn without restriction as to quantity or count from the wholesale yarn dealers attached to their district and sell such yarn to the weavers attached to them as well as to any other consumer within the district in which they have their place of business. From the date of this notification they should charge 5 percent retail margin only calculated on Ex-Mill rate instead of 6¼ per cent as at present. They are free to purchase yarn and sell such yarn as indicated above and they need not await any distribution instructions either from this office or from the Deputy Commissioners of the Districts concerned.

Margin of Profit and Other Charges:—

In effect the margins of profits will be as indicated below on Rs. 100 Ex-mill value of yarn.

1	Sales Tax ...	0	8	0	(Calculated on Ex mill value)
2	Centage ...	0	8	0	(Do do
3	Wholesale Margin ...	2	8	0	(Do o
4	Retail Margin ...	5	0	0	(Do o
	Total ...	8	8	0	

Handling and Transport Charges on Yarn from Mills to Consumers.

1 In the case of yarn manufactured in the Mysore Spinning and Weaving Mills, Minerva Mills, Krishnarajendra Mills, Bangalore Woollen Cotton and Silk Mills, Bangalore, the dealers can charge actual handling and transportation charges which in the aggregate should not exceed 0-5-0 per bundle of 10 lbs. by the time yarn reaches the consumers.

2 On yarn manufactured in Davangere Mills, Sri Shankara Textile Mills, they are entitled to charge actual charges which in the aggregate should not exceed seven annas (0-7-0) per bundle of 10 lbs. by the time yarn reaches the consumers.

3 On yarn manufactured in mills outside Mysore State they are entitled to charge actual expenditure which in the aggregate should not exceed Re. 0-10-0 per bundle of 10 lbs. by the time yarn reaches the consumers.

The above revised arrangements in yarn distribution will come into force from the date of this Notification and will continue to remain in force till 1st January 1950.

Letter No. MA (CY) No. 14229—Res. 7-9 of 49, dated 13th September 1949.

Withdrawal from circulation of India Rs. 100 notes having the words "Karachi" or "Lahore" printed on them.

We have to advise that Rs. 100 notes having the word "Lahore" or "Karachi" printed on them have ceased to be legal tender with effect from the 12th September 1949 but will continue to be accepted at the offices of the Reserve Bank of India at Bombay, Calcutta, Delhi, Madras and Kanpur, all Government treasuries including sub-treasuries and branches of the Imperial Bank of India maintaining currency chests.

2. *But as these notes are no longer legal tender, they should be transferred to the chests on the same day that they are accepted.* They should be held in the chest separately until they are sent along with the next soiled note remittance to the concerned collecting chest or this office as the case may be. It should also be particularly noted that these notes should be packed separately and an indentifying remark to this effect should be given in the invoices for the remittance.

3. A copy each of the relative notification and the Press Communique issued by the Government of India is enclosed for your information.

Press Communique.

By a notification issued to-day in the Gazette of India, the Government of India have declared that all currency notes of the Government of India and bank notes of the denominational value of Rs. 100 having the words "Karachi" and "Lahore" printed on them shall cease to be legal tender save at the Issue Departments of the Reserve Bank of India and Government treasuries and branches of the Imperial Bank of India maintaining currency chests of the Issue Department of the Reserve Bank of India. After the partition of India, Karachi and Lahore offices of the Reserve Bank of India have come under Pakistan and the public in this country is generally chary of accepting notes belonging to these circles. It is therefore, considered desirable that steps should now be taken to withdraw notes of the Karachi and Lahore circles still in circulation in India; the notes of these circles will, however, continue to be received at the offices and agencies of the Reserve Bank of India. It is explained that although Karachi and Lahore circle notes have continued to circulate in India, their further issue from the chests ceased soon after the partition.

2. Hundred-rupee notes of all other circles, *viz.* Bombay, Calcutta, Delhi, Madras and Kanpur shall continue to be

Letter No. MA (CY) No. 14229—Res. 7-9 of 49, dated 13th September 1949.

Withdrawal from circulation of India Rs. 100 notes having the words "Karachi" or "Lahore" printed on them.

We have to advise that Rs. 100 notes having the word "Lahore" or "Karachi" printed on them have ceased to be legal tender with effect from the 12th September 1949 but will continue to be accepted at the offices of the Reserve Bank of India at Bombay, Calcutta, Delhi, Madras and Kanpur, all Government treasuries including sub-treasuries and branches of the Imperial Bank of India maintaining currency chests.

2. *But as these notes are no longer legal tender, they should be transferred to the chests on the same day that they are accepted.* They should be held in the chest separately until they are sent along with the next soiled note remittance to the concerned collecting chest or this office as the case may be.

It should also be particularly noted that these notes should be packed separately and an indentifying remark to this effect should be given in the invoices for the remittance.

3. A copy each of the relative notification and the Press Communique issued by the Government of India is enclosed for your information.

Press Communique.

By a notification issued to-day in the Gazette of India, the Government of India have declared that all currency notes of the Government of India and bank notes of the denominational value of Rs. 100 having the words "Karachi" and "Lahore" printed on them shall cease to be legal tender save at the Issue Departments of the Reserve Bank of India and Government treasuries and branches of the Imperial Bank of India maintaining currency chests of the Issue Department of the Reserve Bank of India. After the partition of India, Karachi and Lahore offices of the Reserve Bank of India have come under Pakistan and the public in this country is generally chary of accepting notes belonging to these circles. It is therefore, considered desirable that steps should now be taken to withdraw notes of the Karachi and Lahore circles still in circulation in India; the notes of these circles will, however, continue to be received at the offices and agencies of the Reserve Bank of India. It is explained that although Karachi and Lahore circle notes have continued to circulate in India; their further issue from the chests ceased soon after the partition.

2. Hundred-rupee notes of all other circles, *viz.* Bombay, Calcutta, Delhi, Madras and Kanpur shall continue to be legal tender and circulate freely as hitherto.

ISSUE BY THE SPECIAL OFFICER, FUEL SUPPLIES, BANGALORE CITY.

No. F3. 51—49-50. Dealers in fuel are hereby informed that with a view to restore normal trade channels and to encourage private fuel dealers to take up the fuel supplies as before, the control on fuel in Bangalore will be partially relaxed with effect from 1st November 1949, subject to the conditions noted below, and the monopoly of fuel supplies, which hitherto vested in the Bangalore Fuel Supply and Transport Company will be removed. The dealers in fuel are requested to take up this opportunity and enter into the business in large numbers.

CONDITIONS.

1. The Bangalore Fuel Supply and Transport Company will continue to make their supplies till the end of December 1949, as per agreement, at the existing rates.

2. Other dealers desirous of supplying fuel by Lorry will be given petrol coupons for transport, calculated on the distance, which should not ordinarily exceed 35 miles from Bangalore. Permits for transport of fuel to such persons will be issued by the Special Officer, Fuel Supplies. The fuel will be received at the Weigh Bridge, and weighed. It should be delivered at the sales depot of the licensee in the City or Civil area, to whom it may be allotted. The existing wholesale rate, *i.e.*, Rs. 32-8-0 per ton of Casuarina Dindiga and Kamara Fuel, and Rs. 24-2-0 for jungle fuel will be allotted to the Fuel Supplier, for delivery at the Depot. This amount is inclusive of the charges for unloading at the Depot. The suppliers should recover this amount direct from the Licensees or Co-operative Societies, to whom their fuel is allotted and this office does not undertake any responsibility therefor.

3. In addition to payment of the cost of the fuel at the above rates to the suppliers against fuel supplied to them, the Co-operative Societies and the Licensees in Bangalore City should pay to Government the usual sum of (As. four 0-4-0), as commission for every ton of fuel supplied to them, while the fuel licensees in Civil Area should pay annas eight (As. 0-8-0) per ton therefor. This amount will be collected by the Fuel Inspectors in charge of the Weigh Bridge and Railway Station.

4. Other dealers who do not draw petrol from this Office for transport of fuel by road and who make their own arrangements to trade in fuel, may bring fuel into Bangalore City for sale. They should obtain permit for transport from the Special Officer, Fuel Supplies, in the case of casaurina fuel, and in the case of jungle fuel, they should obtain the necessary *Mafi Passes* or the *Forest Licenses* from the local Amildars and the Range Forest Officers as the case may be. Failure to obtain such permits will make them liable for prosecution. There may be free trade in respect of this fuel and there will be no restriction as to the rate. The dealers should however get the necessary license from the Municipality to deal in fuel in the City.

5. Permits for transport of fuel of any kind into Bangalore City by Rail should be obtained from the Special Officer, Fuel Supplies.

6. Fuel Licensees who take supplies of fuel at the Weigh Bridge through this office are subject to the conditions of their license as heretofore, and should continue to sell the fuel to the public at the controlled rates and maintain proper records. They are forbidden from dealing in private fuel.

7. Fuel Licensees who are desirous of getting their own supplies and trade in fuel should get their licenses issued by the Rationing Officer, cancelled, before they take up private dealing. They must, however, obtain as before, the Municipal Licenses to trade in fuel.

8. Contractors who supply to this Department fuel by rail, will also be eligible to the wholesale rates, *i e.*, (Rs 32-8-0) for Casuarina, Dindiga, Kamara and Jambe fuel; (Rs. 24-2-0) for ordinary jungle, fuel ; and (Rs. 26-2-0) for Hard Jungle fuel, provided they make their own arrangements from the Railway Station for loading, transport and unloading of the fuel at the fuel depots to which it is allotted. "Payments made by Indian/Pakistan Government on behalf of the Government of Federation of Malaya to Ex-employees and pensioner of the Federation of Malaya."

I have the honour to refer to payments made by your Treasury and Sub-Treasuries on behalf of Government of the Federation of Malaya to ex-employees and pensioners of this Government who are resident in India/Pakistan.

2. These payments are made by you on the authority of advices forwarded by me which bear the correspondence reference numbers in each case and it has been found that your letters or statements of accounts, vouchers, etc., received by me in connection with such payments do not in all such cases quote my correspondence reference numbers relating to the advices of payments thus causing delay and difficulty in tracing those advices and posting of my account books. It would be much appreciated if you could issue instructions to your paying officers that correspondence reference numbers shown in my advices be quoted in future in the corresponding payments vouchers, statement of accounts and letters sent to me.
